Hi Rob,

Attached is EPA and NJDEP's proposed WQMP details for the RM 10.9 removal. Sorry for the

short notice, but we would like to discuss this with you tomorrow, if possible. Please let me know if your group could be available. I am generally available all day, and understand that NJDEP is as well.

I will also send you what I think will be all remaining comments on the Final Design submitted on May 6th tomorrow.

Thanks,

Stephanie
